## Footprints

## Ideas

**What's your perfect roll-up?**

Zap is adjustable in height, from 88 cm to 225 cm, and available in different widths. It comes single or double sided, has a central swivel or back foot, can have adjustable feet and different cassette designs. Zap is engineered for fast and easy on-site graphic exchange.

Lights and other accessories accentuate your stand. Use a large exhibit, such as the Network, for your long-term message. Display product specifics, campaigns or special offers on your Zap.
